Gentlemen:

Submitted herewith for your consideration is a quotation in the amount of \$16,213 for the design, development and fabrication of one (1) prototype and six (6) production models of an antenna tuner, in accordance with informal discussions with your technical personnel.

The estimated size of these tuners will be 30 cubic inches or less, and will contain four (4) crystal controlled oscillator signal sources for each tuner.

Delivery of the units can be made within two months after acceptance of the proposal.

Please do not hesitate to contact us for any additional information which you may require.

Very truly yours,

25X1
